Badge Bash is Around the Corner!

Girl Scouts–Arizona Cactus-Pine Council is thrilled to host their annual fundraiser, Badge Bash, on **Saturday, November 2, 2024**, at the beautiful Bob & Renee Parsons Leadership Center for Girls and Women at Camp South Mountain.

Join us for Girl Scout-inspired activities and games, dinner under a starlit sky, and an After-Party with dueling DJs, dancing, and dessert—all while supporting Girl Scout programs that help create the future leaders our community needs.

Whether you sponsor a badge booth or host a “troop” of coworkers and friends, this playful and entertaining event is a great opportunity to have fun while networking and showing your support for girls in Arizona. We expect more than 600 guests in attendance from business, government, education, and nonprofits.

Badge Bash

Sponsors put the “badge” in Badge Bash! We invite local companies to help underwrite the event and host a fun activity booth to engage attendees with their brand. Sponsor company logos are featured on a sticker “badge” for attendees to collect and display on their sashes. *Additional recognition is provided at different levels.*

About Girl Scouts–Arizona Cactus-Pine Council

Girl Scouts builds girls of courage, confidence, and character who make the world a better place. The Girl Scout Movement was founded to help all girls reach their full potential and to create a safe place for girls to foster their individual growth and leadership.

Girl Scouts–Arizona Cactus-Pine Council is responsible for the leadership, administration, and supervision of the Girl Scout program in central and northern Arizona. In partnership with more than 7,000 adult volunteers, GSACPC serves 13,000 girls in grades K-12 in more than 90 local communities, including military installations, border communities, and 18 distinct Native American populations in tribal communities and urban centers.

We serve girls from every economic, racial, ethnic, and religious background, and girls of all abilities. We are dedicated to extending opportunities to all girls, regardless of their financial circumstances. More than 50% of our girl members come from families with incomes at or below the self-sufficiency line (about \$68,000 for a family of four).
