STEP 1:

Cookie Career Finder

Circle one statement that is most true for you.
Then move on to step two to find your cookie career.

- 1** I like people, enjoy interacting with others, and prefer socializing rather than being alone.
- 2** I am detail-minded, organized, and good at remembering things like phone numbers, game scores, and combination locks. I like to work on my own or in a group.
- 3** I am creative and have lots of artistic talents. I love to read, write, paint, draw and cook. I'm always coming up with new ideas.
- 4** I like to teach, put things together, have good common sense and patience, and understand things visually.
- 5** I am curious, adventurous, and wonder why things are the way they are. I love experimenting, asking questions, predicting, and analyzing outcomes.
