

Complete and return to Troop Product Program Manager

My daughter _____, a member of troop _____, has my permission to participate in the 2011 Fall Product Sale (*if applicable*) and the 2012 Cookie Program through Girl Scouts-Arizona Cactus-Pine Council.

Through the Girl Scout Product Program activities girls develop five essential skills: goal setting, decision making, money management, people skills and business ethics.

All of the proceeds generated from product program activities stay in your local council to support Girl Scouting in your area, including the portion that goes directly to the group selling.

You can make this year's Program's a success!

- Register your daughter as a member of the Girl Scouts of the USA for the 2011-2012 membership year and be current with all prior financial obligations.
- Honor the official start date of each sale; do not take order cards to work early or begin door-to door sales. Be a sister to every Girl Scout!
- Take the GSUSA Internet Safety Pledge (www.girlscouts.org/program) with your daughter before going online and follow the specific guidelines related to marketing online. Girl Scouts cannot collect money online.
- Supervise your daughter at all times and follow appropriate safety guidelines. An adult must accompany her while selling door to door and two adults must be present at all booth sales (during Cookie Sales) to ensure your daughter's safety.
- Accept financial responsibility for all product and monies for which your daughter is accountable and understand product ordered **may not** be returned. The troop is responsible to provide receipts for all transactions and you should retain copies.
- Understand, all money earned is the property of GSACPC and is not to be retained by any one individual. GSACPC will take the necessary steps to recover all outstanding debts.
- Cookie Dough earned in the 2012 Cookie Program expires on December 15, 2012.
