The Promise Trail - A Piece of History

While working at Girl Scout's Shadow Rim Ranch camp property, Lana often took girls down the Promise Trail. To help restore the trail from prolonged use and bring back the history of the trail to educate girls, Lana's Gold Award project focused on reviving the Promise Trail that is special to her. In her efforts, Lana designed new signs with the Girl Scout Promise and Law, trimmed blackberry bushes blocking the path and gathered the forgotten history of the Promise Trail. With the restoration, more girls are now able to walk and learn the history of the trail. Through her project, Lana learned that she can make a difference in young girls lives and serve as a role model A Girl Scout for 13 years, Lana says that Girl Scouting has made her proud of the person she has become. Lana attends Poston Butte High School and would like to go to college.
