Badge Bash is Near!

Girl Scouts–Arizona Cactus-Pine Council is thrilled to host their annual fundraiser, Badge Bash, on **Saturday, November 7, 2026**, at the beautiful Bob & Renee Parsons Leadership Center for Girls and Women at Camp South Mountain.

Join us for Girl Scout-inspired activities, games and dinner under a starlit sky. Continue to celebrate at the after party while enjoying a night of DJ entertainment and dancing—all in support of Girl Scout programs that empower and inspire the future leaders our community needs!

Badge Bash is Girl Scouts—built for adults: an upbeat, after-hours experience where community leaders trade the usual gala routine for a little friendly competition, a lot of laughter, and real purpose. Guests move through interactive, outdoor-inspired “badge” activities (no experience required), connect with business and community supporters from across northern and central Arizona, and rally behind a mission that helps Arizona girls grow into confident leaders. It’s high-energy, welcoming, and unforgettable—and every sponsorship directly fuels programs and opportunities that put girls’ success first.

Badge Bash

Sponsors put the “badge” in Badge Bash! We invite local companies to help underwrite the event and host a fun activity booth to engage attendees with their brand. Sponsor company logos are featured on a sticker “badge” for attendees to collect and display on their sashes. *Additional recognition is provided at different levels.*

About Girl Scouts–Arizona Cactus-Pine Council

Girl Scouts builds girls of courage, confidence, and character who make the world a better place. The Girl Scout Movement was founded to help all girls reach their full potential and to create a safe place for girls to foster their individual growth and leadership.

Girl Scouts–Arizona Cactus-Pine Council is responsible for the leadership, administration, and supervision of the Girl Scout program in central and northern Arizona. In partnership with more than 7,000 adult

volunteers, GSACPC serves 12,000 girls in grades K-12 in more than 90 local communities, including military installations, border communities, and 19 distinct Native American populations in tribal communities and urban centers.

We serve girls from every economic, racial, ethnic, and religious background, and girls of all abilities. We are dedicated to extending opportunities to all girls, regardless of their financial circumstances. More than 50% of our girl members come from families with incomes at or below the self-sufficiency line (about \$79,225 for a family of four).
