

# East Valley Spring Break Camp

## Workshop Descriptions

### Monday, March 16, 2026

- **You've got a Friend:** Play games and activities with new friends! Create friendship bracelets to keep and trade and practice the skills to be a great buddy.
- **Code and Create:** Test your imagination, play with OZOBOTS, and design a robot part.
- **You can be a First Responder:** Learn how to call 911 to treat minor bumps and scrapes or help someone who is choking with guidance from a paramedic.
- **Welcome to the Wilderness:** Jump into adventure to discover new skills, make friends, and spark a love for the wild that lasts a lifetime.
- **Games Galore (K-3rd grade):** Play, laugh and create new games for a fun and entertaining workshop.
- **Authentically U (4-6th grade):** Celebrate what makes you special as you challenge yourself with activities to create a vision of your future.

### Tuesday, March 17, 2026

- **Animal Observer:** Turtles, lizards and, snakes! Learn about desert animal with Phoenix Herpetological.
- **Be a Detective:** Practice observation, problem-solving, and clue-finding skills to learn what it takes to be a real detective. Through hands-on activities and teamwork, uncover mysteries, analyze evidence, and build confidence.
- **Home Scientist Discovery Lab:** Science is all around you! Discover and experiment with everyday objects and dive into new creations.
- **Hoop Dance:** Hoop dancing is a powerful form of cultural storytelling originating in New Mexico among the Taos Pueblo. Through each circle, dancers carry forward tradition, identity, and the spirit of their ancestors. In this workshop, girls will see hoop dancing firsthand and participate in an

interactive demonstration.

- **Games Galore (4-6th grade):** Play, laugh and create new games for a fun and entertaining workshop.
- **Daisies in the Sun (K-3rd grade):** From pretty decorations to pollinator havens, learn all about flowers in this workshop and create a special project to take home!
- **Flower Power (4-6th grade):** Discover the many uses of flowers in our day-to-day life.
- **Crafts From Around the World (k-3rd grade):** Honor our sisterhood as we celebrate culture through hands on crafts.

### Wednesday March 18, 2026

- **Playing the Past:** Play old fashioned games, make a craft, try on different clothing styles, and learn how to make your own butter.
- **Cosmic Creations (K-3rd grade):** Build a constellation, learn the parts of a star, and share the magic of the stars with your friends.
- **Out of this World (4-6th grade):** Have you ever wondered what's beyond our atmosphere? Discover the cool things that make up our solar system as we talk about what's outside of our world.

# East Valley Spring Break Camp

## Workshop Descriptions
