How Community Leaders can Enhance the Girl Scout Experience

We believe when girls thrive, the community comes alive!

At Girl Scouts–Arizona Cactus-Pine Council (GSACPC), we want all girls to have the opportunity to benefit from the Girl Scout Leadership Experience. The Girl Scout experience not only gives girls what they want, but also what they need and what society needs. Research confirms that participation in our innovative program helps build girls of courage, confidence and character, who are equipped to be leaders in their own lives, their communities and the world.

Join the Journey is a unique opportunity for today's community leaders to become part of the Girl Scout family and walk alongside girls as they journey to become tomorrow's leaders.

You can **Join the Journey** by making an annual investment between \$5,000 and \$25,000 in one or more of these areas:

- » **A Girl's Journey to Thrive** – Support the continuum of Girl Scout programming for girls from kindergarten to grade 12 throughout our Council.
- » **Content Focus Areas** – Support our innovation curriculum in Science, Technology, Engineering and Math (STEM), Outdoor, Life Skills and Entrepreneurship.
- » **Outdoor Experiences** – Support opportunities for girls to discover and explore the outdoors.

When you **Join the Journey**, you become a member of our family. And your gift will impact the life of an Arizona girl through Girl Scouts. Then as we journey together, you'll receive quarterly updates on how girls are making an impact in their communities. We'll also provide you with more individualized opportunities to see firsthand how our girls are changing the world.
